

Dean's Council Minutes
March 13, 2019

1. Approval of minutes

2. Dean's Updates

Javier Viera will be addressing the faculty about recent developments in the Methodist Church and its implications for Drew.

3. Committee to draft faculty regulations -- Summer 2019

Reserving week towards the end of May. Either DC members, or election for replacements.

4. Process for spring line approvals

In order to allow timely advertising of searches, it would be valuable to approve a certain number of lines in the Spring. But other lines are contingent on Fall enrollment.

Two-stage process: Spring only tenure-track, invitation only. Fall non-tenure-track and other tenure-track lines.

Potential retirements in high demand areas

5. Workload
