

Dean's Council Agenda
March 27, 2019

1. Plan for how to review requests for release from 3rd course using annual reports and current system. Discussion of annual reports - what goes in to them, who reviews them, how often, etc. Discussed timing of annual reports and the possibility of meaningful two-way communication between the faculty and administration based on the annual report.

2. Extensive discussion of workload draft.

3. Dean's Updates

-Upcoming faculty meetings announced. Discussed ways to ensure faculty can participate. Suggested changing Wednesday meeting times to 4-5pm.

4. Feedback from Division meetings

Workload issues.

Request for update on the Acorn Academy.

Faculty want ownership of Complex Problems course.

Launch 101 - discussion of division of labor. What is expected contribution from faculty?

Dear Faculty Colleagues,

To allow for effective faculty participation in ongoing Arts and Science discussions and upcoming consideration of the new policies before us, additional faculty meetings are being held. The dates and the purposes of these meetings are summarized here so that you can best manage your spring schedule. Meeting invitations will also go out via Google Calendar.
