

Dean's Council 1/25/17

Meeting started at 1:30 PM. In attendance: Rosemary McLaughlin, Josh Kavaloski, Caitlin Killian, Juliette Lantz, Jill Cermele

1. We may not need division meeting before February faculty meeting; DC members can email their divisions with any general news and ask if there are agenda items from members that would necessitate a meeting.
2. We are likely to need division meetings before March faculty meeting to discuss issues up at that meeting.
3. We reviewed ballot for terms beginning fall 2017 (some beginning immediately); ready to be submitted.
4. The Committee worked on editing/revising of faculty regulations. Edits and questions were addressed or included up to section 4. Section 4, which included more substantial revisions, was put on hold to be addressed next time. Editing/revising resumed for section 5. The committee finished editing and revising through section 5.

The meeting concluded at 3:30.

Respectfully submitted,

Jill Cermele
