To submit assignments online

1. Go to the **Assignments** linked within a course site. You may see a single assignment or multiple assignments listed under a week or topic.

2. Click the assignment you are scheduled to submit. A screen will appear that reads "**Add Submission.**" There may be deadlines associated with your assignment that will also appear in the submission view.

3. Enter online text or upload a file submission, depending on the requirements of your assignment. Check off the **Academic Integrity Statement** if enabled. **Save Changes.** Your assignment will then appear as **Submitted for grading.**

4. To view the grades and feedback for assignments, click on the assignment again; here you can see the grade, feedback, and any response file(s) provided by the instructor. You can also see all your course grades by clicking on "Grades" in the left-hand "Settings" block in the course.

Completing online tests or quizzes

*If you encounter problems while taking a test or quiz, you should let your instructor know quickly - especially if it is a timed assessment.

To begin a quiz, click start attempt

Test Quiz

Timed quiz

The quiz has a time limit of 20 mins. Time will count down from the moment you start your attempt and you must submit before it expires. Are you sure that you wish to start now?

You will be able to view the quiz navigation on the right hand side of the page to track your progress. This will include information about time remaining (if this is a timed quiz) as well as how many questions you have left to complete.

The screenshot shows a quiz interface for 'Danielle's Tech Fellows Course'. At the top, there is a breadcrumb trail: Home / My courses / Tech Fellows Course / Topic 13 / Test Quiz / Preview. The main content area displays 'Question 1' with the text 'What hours is the ITC open?' and three multiple-choice options: 'a. 12pm - 4pm', 'b. 9am - 5pm', and 'c. Whenever the students show up'. On the left side, there is a sidebar for 'Question 1' with options like 'Not yet answered', 'Marked out of 1.00', 'Flag question', and 'Edit question'. On the right side, there is a 'QUIZ NAVIGATION' section showing two question indicators (1 and 2), a 'Finish attempt...' button, and a 'Time left 0:19:50' timer with a 'Start a new preview' button. At the bottom, there is a 'Next page' button and a 'Jump to...' dropdown menu.

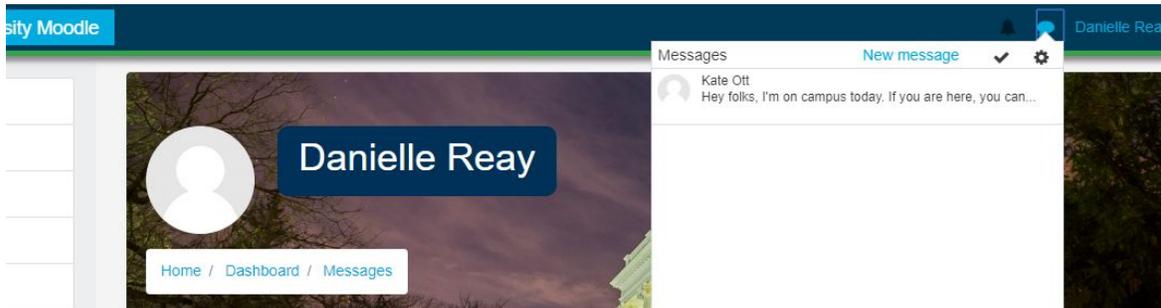

Once you have completed the quiz, you will be prompted to confirm your submission.

The screenshot shows a confirmation dialog box titled 'Confirmation' with a close button (X) in the top right corner. The dialog box contains the text: 'Once you submit, you will no longer be able to change your answers for this attempt.' Below the text are two buttons: 'Submit all and finish' (in blue) and 'Cancel'. The dialog box is overlaid on a grey background that shows a partial view of the quiz interface, including a 'test' button on the left and a timestamp '2:32 PM.' on the right.

Participating in an online discussion

Messages and Notifications: Your instructors may use several messaging tools in Moodle to communicate with you. They may appear as messages, emails, or forum notifications.

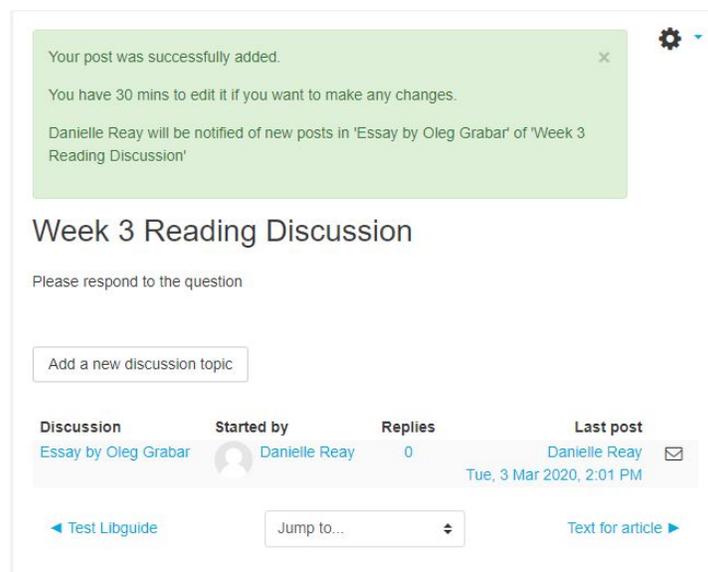

The **Messages** tool in Moodle is helpful for course-related communication that is specific to one Moodle site. These will show up as notifications in the upper right hand corner of your Moodle page.

Forums and Discussions: Instructors may also elect to use online forums to encourage engagement and participation. There are several different forum types in Moodle and your instructor may arrange for different kinds of discussion participation.

Week 3 Reading Discussion

You may be asked to respond to a question, add a new discussion topic, or participate in a group conversation based on a prompt. To post a response or reply to a thread, click **"Add a new discussion topic"** or **"Add a new question"** button.

Provide a subject and message content for your response. You are also able to upload attachments if required. * If you check **Discussion subscription** you will be notified when someone responds to your post.
