Only one Accounts Payable Deposit can exist at a time. Edit the existing deposit, or select and delete it before adding a new deposit.

**Accounts Payable Deposit** ▲

You can point out the differences between the regular Payroll direct deposit with multiple accounts and ability to identify % or \$ amount versus Accounts Payable where it is 100% deposited into the Bank and Account information chosen.  
Remember, this won't be applicable to all LAC prospects/clients, as I asked Jose Luis to confirm...so you don't have to spend a lot of time on it.

## What we've heard . . .

*"The moment that I was able to sort on sequence number, then have the ability to replace the sequence numbers and save in one transaction, **it was as if a light shined over my monitor with a faint chorus in the background. I was thrilled to see that improvement.**"*

***Stephanie Boledovich, HR Systems Manager, Lansing Community College***

*"Employee Profile is a modern way of letting employees look at their own data and do their job and they can take it anywhere, because it is configured to work on any device – laptop, tablet and smartphone. **Well done Ellucian! I love it. It is so easy to set up even a cave man can do it.**"*

***Ali Penton, Software Application Engineer, University of West Florida***

**More stories on eCommunities**

*"We went actually live with Registration for our early registration for the following summer classes and it proved flawless. **It worked with no problems and every review we've had has been positive.**"*

***-Delano Sweeney, Database Systems Manager, Bluefield State College***
