

Drew University Zoom Video and Web Conferencing

University Technology provides access and training in using Drew Zoom web conferencing. All of these services are covered by the 1-ITS classroom hotline and [MRC Event Hotline](#) for academic classes and other events respectively. Charges may apply, please see the [MRC fee schedule](#) for further information.

What is Zoom?

Zoom is a web conferencing tool that unifies cloud video conferencing, online meetings, and collaboration into a single intuitive platform. Zoom's extensive feature set, broad compatibility with desktop and mobile devices, and multi-layered security allow Drew University to have rich web conferencing experiences with both campus affiliated and unaffiliated users.

To request a host account:

Call the University Technology Service Center at 973-408-4357 or create a ticket at [Open a Support Ticket](#)
The MRC will create a host account for you and send you a link for documentation and provide user support.
