COVID-19 and Drew - Helpful Links

Please find the most recent updates and communications regarding COVID-19 and Drew University at [Coronavirus Disease 2019 \(COVID-19\)](#).

A collection of resources for teaching, learning and working remotely is available at the [UT website](#) and at [Working From Home: Technology FAQ](#).

If you have a phone extension on campus and need to change your voicemail, see the Drew Virtual Time scenario at [Availability States on Mitel Phones](#).

Welcome to Drew's **Technology Help and Information** space on U-KNOW. Use this space to locate information on technology services offered at Drew.

For more information, including service hours and contact information, please visit the Drew [Instructional Technology](#) or [University Technology](#) websites.

You can also call the UT Service Center during business hours with any questions or to open a service ticket at 973-408-4357 (HELP).

Outside business hours (and inside - we won't judge!), you can email helpdesk@drew.edu or fill out a support request at help.drew.edu.

Common Student Questions

[Passwords and Logging In](#)

[Connecting Your Mobile Devices to Google Apps](#)

Microsoft Office Installation Instructions (you must be logged in to see these pages)

- [Students](#) - available for free to current Drew students
- [Microsoft Office How-Tos](#)

[Introduction to Moodle for Students](#)

[Thesis and Dissertation Formatting](#)

[CloudPC](#): For seamless access to Drew's Windows-based software from anywhere in the world
