

Education Resources for M.A.T. students

All available from the [Databases by Title](#) list on the library website.

Education Research Complete

Searches journals in education; includes lots of full text journal articles and some book/report publications.

ERIC

Indexes both journals in education and educational reports. Reports (ERIC Documents) may be available as scanned full text. Limit to Journal articles and Publication Type: Reports - Research to find research articles. Can also be searched, under some limitations, at <http://www.eric.ed.gov/>

PsycInfo (Psychological Abstracts, PsycArticles)

PsycInfo indexes scholarly literature in psychological and related social sciences, from 19th century to present. Indexed books and book chapters may be obtained via ILL if not in our collection. Also includes dissertations (about 12% of the database), which are more difficult to obtain. Use Limit Search to check box for Journal Articles to eliminate books & dissertations. You can also limit by publication type, methodology, and age.

PsycArticles searches the full text of a limited number of American Psychological Association journals. Using PsycInfo and clicking the "Search for Article" button will give you access to all the titles in this database, plus a wider variety of others.

General indexes which cover educational journals:

Academic Search Premier

Indexes academic journals, newspapers, magazines, and some educational reports. A significant number of articles and reports are included in full text /PDF; otherwise use "Search for Article" button. Choose Academic Journals subset after searching for best results. Includes a Visual Search component.

Proquest Research Library

Indexes scholarly journals, newspapers, magazines, trade publications, some educational reports and some dissertations. Limit to Scholarly Journals for best results. A significant number of articles and reports are included in full text/PDF; otherwise use "Search for Article" button.
