

Videos-- Finding them in the Library Catalog

To limit your search to videos (DVD, videotape, streaming, etc) either in the library or in the Media Resource center:

1. Go to librarycat.drew.edu
2. In the search form that comes up, click on the **item type** box and choose either **Video DVDs** or **Video VHSs**

The screenshot shows the top of the DREW University Library Catalog search page. It features a search form with several input fields and dropdown menus. The 'item type' dropdown menu is highlighted with a red circle, indicating the next step in the process.

This screenshot shows the 'item type' dropdown menu open, displaying a list of available item types. The 'Video DVDs (1392)' and 'Video VHSs (2693)' options are highlighted with a red circle, indicating the next step in the process.

3. This will list ALL the videos of that type in the catalog.
4. To limit your search, enter keywords to search by in the first search box on the screen (The search results will update when you press Enter)

The screenshot shows the search results for 'feature films'. The search results list includes 'Siempre Habana / directed by Ángel Peláez' and 'The Mexican suitcase / 21 Films-Paco Poch Alicorn, Ins'. The search results are displayed in a table format with columns for item number, title, and location.

(The example above shows how to get a list of *feature films*, in other words, general movies. Another search term you may want to use is "documentary films")
