

Drew University-- and other-- Theses & Dissertations

Finding Drew AND non-Drew Theses/Dissertations Online

Many recent Drew Doctoral Theses/Dissertations, as well as dissertations from other institutions, are available online through ProQuest's database "[Dissertations and Theses](#)" (formerly Dissertation Abstracts). This database also allows you to search for older dissertations that are not available full-text online; request copies of these through our ILL office or order them through the ProQuest database.
